

**Barcelona Institute  
of Science and  
Technology**

[bist.eu/colloquia](http://bist.eu/colloquia)

Monthly lectures  
and discussions  
with international  
researchers,  
providing broad  
exposure to  
multidisciplinary  
research

# BIST Colloquium Series

**Mircea Dincă**

Professor, Department of Chemistry  
**Massachusetts Institute  
of Technology (MIT)**

January 15, 2018 at ICN2

**Luca Giorgetti**

Group Leader  
Chromosome structure  
and transcriptional regulation  
**Friedrich Miescher Institute  
for Biomedical Research**

May 7, 2018 at CRG

**Mauricio Barahona**

Professor, Faculty of Natural Sciences  
Department of Mathematics  
**Imperial College London**

March 5, 2018 at DCEXS

**Ilaria Malanchi**

Group Leader, Tumour-Host  
Interaction Laboratory  
**The Francis Crick Institute**

June 4, 2018 at IRB Barcelona

**Serena DeBeer**

Director, Department  
Inorganic Spectroscopy  
**Max Planck Institute  
for Chemical Energy Conversion**

April 9, 2018 at ICIQ

**Alain Blondel**

Professor, Neutrino Group  
**University of Geneva**

July 2, 2018 at IFAE

The BIST Colloquium Series  
forms part of the curriculum  
of the BIST Master of Research  
in Experimental Sciences  
and is open to anyone  
interested in attending.

The BIST research centres are:

Member institutions of the board:
